Potential Sources of Additional Recoveries

The following is a description and brief update on the status of each of the remaining matters identified in the Omnibus Motion as “Potential Sources of Additional Recoveries” that may result in additional recoveries for the benefit of holders of allowed Class 7 claims:

1. Unsecured Claim Against Dreier LLP. The Representative, on behalf of the estates of the above-captioned 360networks debtors (the “360 Estates”), has an allowed general unsecured claim in the Chapter 11 case of Dreier LLP (the “DLLP Case”) in the amount of \$45,100,000 (the “DLLP Claim”). The DLLP Case is pending before the U.S. Bankruptcy Court for the Southern District of New York as Case No. 08-15051 (SMB). An order approving the *Second Amended Plan of Liquidation for Dreier LLP Jointly Proposed by the Chapter 11 Trustee and the Official Committee of Unsecured Creditors Pursuant to Chapter 11 of the United States Bankruptcy Code, as it may be amended or supplemented* (the “DLLP Plan”) was entered on April 29, 2014. The DLLP Plan became effective on May 13, 2014 (the “Effective Date”).

Prior to the Effective Date, the Representative was the Chair of the official committee of unsecured creditors in the DLLP Case (the “DLLP Committee”). In order to move the DLLP Case forward with the objective of obtaining a meaningful distribution as soon as possible consistent with the best interests of the holders of allowed general unsecured claims in the DLLP Case, the DLLP Committee participated in drafting, and was the co-proponent of, the DLLP Plan.

Pursuant to the DLLP Plan, upon the occurrence of the Effective Date, Sheila M. Gowan was appointed as the Plan Administrator (as defined under the DLLP Plan). As of the Effective Date, the DLLP Committee was disbanded, except for certain limited purposes, and its oversight functions were transitioned to a plan oversight committee (the “DLLP Plan Oversight Committee”). The Representative is serving as a member of the DLLP Plan Oversight Committee with the objective of ensuring a quick and meaningful distribution to general

¹⁵ In connection with the Fourth Interim Distribution, consistent with section 5.3(f) of the Plan, the Representative did not make distributions that would aggregate less than \$100 on account of a particular Class 7 claim (when considering catch-up distributions and the incremental Fourth Interim Distribution).

¹⁶ For purposes of this Post-Closure Status Report, allowed general unsecured claims participating in Class 7 do not include the claims of Pirelli Communications Cables & Systems USA LLC and CapRock Telecommunications Corporation (which claim is owned by Reorganized 360), both of which are afforded different treatment than other Class 7 claims by virtue of certain settlement agreements approved by the Bankruptcy Court.

unsecured creditors. On or about August 29, 2014, the Representative received an initial distribution on account of the DLLP Claim in the amount of \$2,255,000. On or about December 28, 2015, the Representative received a second distribution on account of the DLLP Claim in the amount of \$1,353,000. On or about December 28, 2017, the Representative received a third distribution on account of the DLLP Claim in the amount of \$902,000. As disputed claims have been resolved in the DLLP Case, the Plan Administrator has transferred funds not necessary to be expended from the Disputed Claims Reserve (as defined under the DLLP Plan) to the Unsecured Creditor Fund (as defined under the DLLP Plan) for the holders of Class 4 general unsecured claims.

For information purposes only, the fees and expenses of the Representative's counsel related to the DLLP Plan Oversight Committee are being paid solely from the DLLP estate.

2. Administrative Claim Against Dreier Chapter 7 Case. In addition to the claim against Dreier LLP summarized above, the Representative resolved claims on behalf of the 360 Estates filed in the Chapter 7 case of Marc S. Dreier (the "Dreier Chapter 7 Case") pending before the U.S. Bankruptcy Court for the Southern District of New York as Case No. 09-10371 (SMB). Pursuant to the *Stipulation and Order Between Salvatore LaMonica, as Chapter 7 Trustee of the Estate of Marc S. Dreier, and Steven J. Reisman, as Post-Confirmation Representative of the Chapter 11 Estates of 360networks (USA) Inc. and Affiliated Debtors*, entered on April 25, 2017, the 360 Estates were granted an allowed administrative claim under Sections 503(b) and 507(a)(2) of the Bankruptcy Code in the amount of \$19,513 related to the fees and expenses of the Representative in connection with the commencement of the Dreier Chapter 7 Cases as a petitioning creditor (the "Administrative Claim"), and an allowed general unsecured claim in the amount of \$47,872,519 (the "Dreier Chapter 7 Unsecured Claim"). On or about June 12, 2018, the Representative received payment on account of the Administrative Claim. According to the *Trustee's Final Report*, filed in the Dreier Chapter 7 Case on March 30, 2018, there will be no distribution on account of the Dreier Chapter 7 Unsecured Claim.

3. New York Lawyers' Fund for Client Protection. The Representative has advised creditors that The Lawyers' Fund For Client Protection of the State of New York (the "Lawyers' Fund") (see 22 NYCRR § 7200 *et seq.*) may offer relief to certain creditors of the 360 Estates if the amounts that Dreier stole from the 360 Estates are not recovered in full. The applicable regulations place a \$300,000 cap on an individual claimant's recovery, and bars claims from (i) entities with 20 or more employees and (ii) financial institutions. Any entity seeking reimbursement from the Lawyers' Fund must provide a sworn verification regarding the statements made in the application for reimbursement.

In January 2010, the Lawyers' Fund advised the Representative that claims to the Lawyers Fund would be deemed "premature" until conclusion of (i) the Dreier Forfeiture Proceedings and (ii) the bankruptcy proceedings in the Marc Dreier and Dreier LLP bankruptcy cases (both of which remain open currently). (See Ex. B to Representative's Fifth Interim Report [Docket No. 2057].)

Attached hereto as "Exhibit A" is a "model" claim form that qualified creditors may complete, verify and submit to the Lawyers' Fund at the appropriate time. The

Representative's counsel will be available to answer questions for creditors in this regard, but will not have any further role with respect to claims against the Lawyers' Fund.

4. Restitution Payments. In 2009, Marc Dreier plead guilty to securities in wire fraud in the criminal case United States v. Dreier (09-00085) (the "Criminal Case"). The "Unsecured Creditors of 360networks USA Inc" (the "Unsecured Creditors") are a victim in the Criminal Case. In connection with the Criminal Case, Mr. Dreier was ordered to pay restitution to his victims, including the Unsecured Creditors. The Unsecured Creditors are owed a total of \$38,596,354.56. Mr. Dreier has begun making restitution payments. In early June, the Representative received the first restitution payment in the amount of \$514.55. Any further payments are contingent on Mr. Dreier honoring his obligations to make the restitution payments.

5. Proposed Sale of DLLP Claim. As explained in the Fourteenth Post-Closure Report, the Representative has commenced a marketing and sale process with respect to its interest in the DLLP Claim. By monetizing the DLLP Claim, the Representative will be able to make a final distribution to Class 7 claimants and complete his administration of the 360networks Cases.

6. Other. It is possible that, in the course of further fulfilling his duties, the Representative may discover additional claims or sources of recovery for the benefit of the 360 Estates; however, as of the date hereof, the Representative has not identified additional sources of recovery for the benefit of the 360 Estates.

Fees and Expenses

Fees and expenses from December 21, 2018 through May 2019 total \$25,196.59 (for Katten's fees and expenses), \$8,155.05 of which is yet to be paid. The Representative has continued to work to minimize his fees and expenses and of counsel in order to maximize distributions to creditors.

Additional Distributions

As mentioned above, the Representative has commenced a marketing and sale process in order to monetize the remaining interest in the DLLP Claim. Proceeds from the sale of the DLLP Claim will allow the Representative to make a final distribution to holders of Class 7 claims and close the estate.
